

UNLOCK A WHOLE NEW WORLD OF LEARNING!

Young people learn in many different ways. The emotional rush of a theatre performance could be the key to unlocking a world of learning. With generous support from Mortellaro McDonald's, The Licking County Foundation and many other organizations, The Midland Theatre is thrilled to provide this experience for thousands of students at no cost this year. Sharing the magic of the performing arts with your students is important to all of us and allows us to continue our mission of ENRICHING THE LIVES OF AUDIENCES TODAY AND TOMORROW! All Yellow Bus performances are 45–60 minutes.

The Amazing Max is an interactive magic show with a mind of its own. What's truly amazing is not only what happens on stage but also what happens in the audience. The enchanted look that spreads across the faces of his young (and not-so-young) fans as magician Max Darwin works miracles is hands-down astounding. Operating from the principle that "**every show is unique because every child brought to the stage is unique,**" Max conjures a custom experience that young ones will carry with them long after the show ends.
