WORKSHOP DESCRIPTIONS | REGISTRATION DEADLINE IS 7.17.15

Mime Time (grades 1-8)

People communicate with each other in many different ways. Much of that communication is done without ever needing to speak. See how isolations, illusions, key gestures, and body language are all used to tell a story.

Marvelous Mini-Musical! (grades 1-2)

You will be amazed as your class transforms from students to performers as they learn what it takes to prepare a musical number. Bring a camera and pull up a chair because this is one musical you will not want to miss.

Why ask Why (grades 3-5)

Actors and scientists use diverse techniques to reach solutions successfully. Students will discover that these two different approaches to problem solving are quite similar as they utilize theatre exercises to answer scientific questions.

Acting up (grades 6-8)

Join us as we explore the basics of the acting craft. Using dynamic acting exercises, students of all skill levels participate as they learn how to prepare for performance.
